LIFE just got a little easier

LIFE St. Mary is an innovative program that helps people age 55 and older with chronic health problems and/or memory loss avoid moving to a nursing home and continue to live at home. For those who qualify, LIFE helps older adults navigate the healthcare system and addresses the needs of the whole person with such services as primary and specialty medical care, medications, personal care at home, activities at a day center, meals and transportation—all in one location.

Who is eligible for LIFE St. Mary?  
• Age 55 or older  
• Live in the Life Service area  
• Need the level of care that requires nursing facility-type services  
• Can live safely in the community with the services provided through LIFE St. Mary
